

NJ Fire & Emergency Medical Services Institute

As the newly formed Fire Services Caucus begins its work in the NJ Legislature, the activities of the NJ Fire and EMS Institute will increase dramatically. Now, your county or regional fire or EMS organization can participate directly in shaping a brighter future for emergency services in our state while demonstrating support for your fellow first responders across New Jersey.
It *IS* possible to make a difference!

MEMBERSHIP FOR COUNTY FIRE OR EMS ORGANIZATIONS

A \$100 membership will make your organization a supporting member of the NJ Fire & EMS Institute and comes with preferred admittance to all other Institute seminars and events, recognition of your organization in our Annual Dinner Program and on our website, and a Certificate of Membership.

Complete the form below and forward it with a check for \$100 to:
